

North Dunstable By Pass

The A5 – M1 North Dunstable By Pass inquiry was postponed in June this year. This was due to the economic conditions. The situation was going to be looked at again after the Comprehensive Spending Revue in October.

As a result of the revue, the road has now got the go ahead to start work in 2015. This will be 7 years after it was originally planned.

This will obviously have an impact on the Junction 11a and the proposed link road that will allow local access to the M1 via the proposed Woodside Link. Central Bedfordshire Council is working towards ensuring the link goes ahead and the change in time scale does not compromise the project.

Bench by Village Hall

The CVA has asked us for help in the provision of a public bench outside the Village Hall. We have decided this would be a good addition to the Village and hopefully it will appear later in the New Year.

Russell Currell, Chairman, Chalton Parish Council.

Pensioners Christmas Lunch

This year’s Pensioners Christmas Lunch is to be held at the Star on Tuesday 4th January. We have a limited number of places and we have sent out invites to the people who qualify based on our previous year’s information.

We do recognise that we will have missed some people off, as we do not know everybody’s eligibility. If you are one of these people and would like to be invited in the future, please let a member of the Council know who you are and we will include you in the future.

If you are over 60, you are eligible for the pensioner’s lunch. If you have not received an invitation before (mostly because we are not aware of you) and wish to be in future, please tear this off and hand it to a Councillor, or deliver it by hand to 31 Chalton Heights or 1 Forge Close. We will include you for next year. Due to its popularity, there may be a limit on numbers.

Future Parish Council meeting dates for 2010:
